Subject: Thank You

Good afternoon to you all,

I just wanted to take a moment and thank you all for allowing Station Avenue Productions to be apart of your worthwhile event.

It is our pleasure to continue to provide you with the greatest talent and state of the art shows.

We hope you all enjoyed yourself as I know the attendees did. It was a great success. Your team did an amazing job!

Looking forward to working with you again,

My best,

CJ
