Dear Ron:

What an awesome band you have! Don't Call Me Francis exceeded our expectations. Our 2003 Holiday Peace Ball was wonderful thanks to the band. Some of our employees were a little skeptical because they had never heard of the band but were pleasantly surprised once they started playing. The horn sections' dance routines, Frank's mingling with the crowd and the variety of tunes truly made it a wonderful evening.

It's too early to plan for next year's event, but I promise to contact you once we start. It has been a true pleasure working with you and your company.

Very truly,
